Bed Bugs

Bed Bugs can be found inside mattresses, bed frames, clothing, Linen, and even electronics.

Make sure you thoroughly inspect anything you buy second hand. Watch for actual crawling bed bugs or dead remains, dark

brown/reddish fecal stains, blood stains feces or the shed skins of the bugs. Thoroughly Check crevices and seams. **Ask Questions!** Ask

where the item came from. Ask the store owner if they have ever had an issue with bed bugs.

Avoid picking up used items left out on the road side . For more information ask the

Housing Help Centre.
